Sawgrass Nature Center
& Wildlife Hospital

Be a Friend to Wildlife.

Your support will help us in our mission of providing public education about South Florida's fragile and unique environment and helps us care for many sick, injured and orphaned wildlife patients and permanent residents. Your donation is used to provide funding for our day to day operations which are not funded by any tax dollars or grants and is the life blood of our center.

In addition to your membership you will also receive:

***Discounts on educational programs, Camp WILD, special events and SNC Gift Shop**
***Our newsletter "The Nature News"**
***Invitations to special events, lecture series and previews to new exhibits.**

On behalf of everyone at the Sawgrass Nature Center,
Thank You for your support.
