Dear Friends,

The 20th annual benefit for the Sawgrass Nature Center & Wildlife Hospital, Wishes for Wildlife, is being held on Saturday, November 11, 2017, at the Coral Springs Marriott, 11775 Heron Bay Blvd, Coral Springs, Fl., at 6:00 p.m. The evening's festivities will include cocktails, gourmet food, entertainment and, of course, our fabulous silent and live auctions.

In order to make this a successful event, we would appreciate a sponsorship or contribution from you or your organization. Enclosed are several ways you can be part of this fun and worthwhile event.

The Sawgrass Nature Center & Wildlife Hospital is a not-for-profit 501(c)(3) organization. Our mission is to provide environmental education to children and adults, focusing on South Florida's unique and fragile Everglades and its many resident species and to provide care for injured, sick and orphaned wild birds, mammals and reptiles. To find out more about our wonderful programs, check out our website www.sawgrassnaturecenter.org.

Show your love for "Wildlife Friends", help protect our fragile natural resources, provide environmental education for our youth and make your community better by participating in this very worthwhile event. Thank you for making a difference.

Naturally yours,

SNC Gala Committee Member

Coral Springs Marriott, 11775 Heron Bay Blvd, Coral Springs, FL. 33076

Gourmet Foods & Cocktails
Entertainment, Raffles, Live & Silent Auction

The **SAWGRASS NATURE CENTER & WILDLIFE HOSPITAL**, a private, 501(c)(3), non-profit organization, is hosting a benefit to help raise funds for its Nature Center & Wildlife Hospital at Sportsplex Park in Coral Springs. We are asking local stores and businesses to participate by donating items or gift certificates for our auction, advertising in the evening's program, becoming a sponsor, or by purchasing tickets to the event at $100.00 each (SNC members $85).

Please choose one or more of these options and have the satisfaction of knowing that you are helping children learn about South Florida's environment and saving the lives of many of our native birds, mammals and reptiles.
