LEAVE A LEGACY

*When you leave a legacy, you make a difference today
and in the lives that follow.*

Share our concern about our unique and fragile South Florida environment, spread the joys and share the sense of wonder of our world around us, stimulate the excitement of curiosity and awareness of our world, and encourage preservation of our natural ecology.

- Perhaps you would like to leave a charitable gift to the Nature Center in your will, through an insurance policy or other financial investment.
- Consider naming the Sawgrass Nature Center as the beneficiary of your IRA or pension plan.
- Encourage others to remember the Nature Center in their financial plans.
- Or perhaps you would like to leave a gift in memory of a loved one.

Be sure to contact a professional- a financial planner, lawyer, accountant or insurance agent to discuss how such a charitable gift can benefit you.
