

Party Reservation Form

Book 2 hours for a party in Sawgrass Nature Center's (SNC) outdoor classroom! We provide an hour of entertainment!

Party Specifics:

“MEET YOUR WILDLIFE FRIENDS”, is a hands-on presentation using a variety of live animals and artifacts. This is a unique opportunity to safely get close to some wild animals. We strive to make our programs fun, but also hope to cultivate stewardship of the earth and appreciation all of its inhabitants. The presentation includes a guided tour of the SNC exhibit area. Please call for alternative themes.

Party Schedule:

10:30-12:30 or 1:00-3:00 – One hour for program and exhibit tour and one hour for your own activity like serving cake or snacks. Please call if you are interested in other times.

Deposit, Cancellations and Changes:

\$100.00 deposit required; \$75 to hold date, and \$25 security deposit. The security deposit is refundable if room is clean and damage-free. Both deposits, if applicable, will be applied to the balance due. Less than 28 days notice of cancellation or date change will result in forfeiture of ‘hold date’ deposit or a \$25 administration fee, respectively. The party is held in an outdoor classroom and will be rescheduled penalty free only for unsafe weather as deemed by the SNC. For the safety of our animals and your party guests, SNC reserves the right to shorten, change or terminate the program portion of the party, without penalty, if participants are acting in an unsafe or highly disruptive manor and continue to do so after SNC representatives have asked them to stop.

Special Instructions:

- You are welcome to use our tables and chairs. We do not provide decorations, plates, table cloths, etc. Clean-up of party room is required; decorations must be taken down, tables cleaned, floor swept and trash/recycling must be removed from room.
- Since escaped or popped balloons are dangerous to wildlife, we ask that you do not use them.
- Please, no live animals as party favors or decorations.
- SNC does not have refrigerators, ice, or ovens to cool or heat your party food.
