

# Wildlife

## Adoption/Sponsorship Program

*Adopt or Sponsor one of our animals on exhibit or  
one of our educational animals.*

*Would you like to help provide a better life for one of our animals? This program is designed to raise funds to keep our resident creatures healthy and happy. The animal you chose to Adopt/Sponsor will remain at the Sawgrass Nature Center and will continue to be cared for by our staff. You will gain a special friend by lending support for its care. Adoptions/Sponsorships make excellent gifts, class or scout projects and are good for one year. What better way to say "I care"?*

*Adoption Package includes: Adoption Certificate with photo of animal, and Fact Sheet.*

*Sponsorship package includes: The same as above plus your name will be listed in our "Nature News" and posted in our Main Building for one year.*

## *Adopt an Animal at the Sawgrass Nature Center & Wildlife Hospital*

*All of the Sawgrass Nature Center & Wildlife Hospital's Adoption Program donations go toward the rehabilitation and care of our sick, injured, or orphaned baby wild animals and to help offset the cost of caring for our "educational ambassadors" which are kept at the center for the purpose of teaching others about South Florida's natural world. The cost of caring for wildlife is considerable. All of the animals at the SNC need specialized diets, daily care and creature comforts. You can help to provide food, health care and housing for the animals –for your favorite feathered, furry or scaly species - through our **Adoption /Sponsorship Program**.*

*You may adopt or sponsor a species for yourself, or send an adoption/sponsorship package as a gift for a relative, your company, your school, etc. It's a unique way to learn about a particular species and help the SNC care for its live animal residents and patients. Please note that the animals may be adopted or sponsored by more than one person.*

### ***STEP 1 ~ SELECT A SPECIES***

*A wild variety of animals available for adoption/sponsorship are listed on the next page; select one, and you will be on your way to contributing to the care of all of the animals at the SNC.*

### ***STEP 2 ~ GROW AND LEARN***

*Adoptions and sponsorships are educational experiences. Once you have chosen a species and submitted the form, you will receive a fact sheet with the information about your species, and an adoption/sponsorship certificate with a photo of your animal. Sponsors will have their name listed in the main building for one year. You will also be satisfied knowing that you are helping the SNC teach its visitors about wildlife and care for their wildlife patients.*

*Yes, I want to help the animals!*

Your Name: \_\_\_\_\_ Phone: (\_\_\_\_) \_\_\_\_\_

Street Address: \_\_\_\_\_ St. \_\_\_\_\_ Zip: \_\_\_\_\_

E-Mail Address: \_\_\_\_\_  Check to receive email updates

Name to be listed on Sponsor Plaque in Main Building (if applicable): \_\_\_\_\_

Please select the species you would like to **Adopt** (\$50):

- |  |  |                                  |                                      |
|--|--|----------------------------------|--------------------------------------|
| <input type="checkbox"/> Opossum         | <input type="checkbox"/> Green Heron     | <input type="checkbox"/> Vulture | <input type="checkbox"/> Song Birds  |
| <input type="checkbox"/> Gopher Tortoise | <input type="checkbox"/> Aquatic Turtles | <input type="checkbox"/> Kestrel | <input type="checkbox"/> Screech Owl |

Please select the species you would like to **Sponsor** (\$100):

- |  |                                     |                                      |   |
|--|-------------------------------------|--------------------------------------|---|
| <input type="checkbox"/> Red-shouldered Hawk | <input type="checkbox"/> Barred Owl | <input type="checkbox"/> White Heron | <input type="checkbox"/> Yellow Naped Amazon Parrot |
| <input type="checkbox"/> Prairie Dogs        | <input type="checkbox"/> Alligator  | <input type="checkbox"/> Raccoon     | <input type="checkbox"/> Burrowing Owl              |

Make check in the amount of \$ \_\_\_\_\_ payable to the Sawgrass Nature Center. This Gift is for:

Visa/MC #: \_\_\_\_\_ Exp Date: \_\_\_\_\_ Address: \_\_\_\_\_
