

SAWGRASS NATURE CENTER & WILDLIFE HOSPITAL
BENEFIT GALA

Dear Friend of Nature,

November 7, 2026

We invite you to partner with us as a supporter of our **Seasons of the Wild Gala on November 7, 2026**, at the Country Club of Coral Springs. This special evening celebrates the journey of South Florida's native wildlife—from rescue and rehabilitation to recovery and release—while raising critical funds to ensure that journey continues for thousands of animals each year.

Every injured owl, orphaned squirrel, and displaced tortoise that arrives at Sawgrass Nature Center & Wildlife Hospital represents a life in need of a second chance. For more than 30 years, our community has made those second chances possible through compassion, generosity, and a shared commitment to protecting South Florida's native wildlife. Your support also helps inspire the next generation of conservationists through environmental education, youth programs, and community outreach, creating a lasting impact that extends far beyond the walls of our wildlife hospital.

There are many meaningful ways to support our mission:

- Attend the gala
- Become an event sponsor
- Donate an item, experience, or service for our silent or live auctions
- Purchase an advertisement in our commemorative program

Additional details on each of these opportunities are included in the enclosed sponsorship packet.

Every sponsorship and donation directly supports the care of orphaned, injured, and sick native wildlife while advancing conservation education and community engagement throughout South Florida. As a sponsor, your organization will receive valuable recognition through event marketing, social media, our website, the gala program, and exclusive event-night benefits.

By partnering with Sawgrass Nature Center & Wildlife Hospital, you are aligning your organization with a trusted nonprofit that has been rescuing, rehabilitating, and educating our community for more than three decades. Together, we can ensure that rescue leads to recovery, recovery leads to release, and future generations continue to protect the wildlife and natural habitats that make South Florida so unique.

We would be honored to have your support in making this year's Seasons of the Wild Gala a memorable celebration and a tremendous success for the wildlife that depends on us.

Thank you for your generosity and consideration.

With Gratitude,

SNC Gala Committee Member

Donations to the Coral Springs Nature Center and Wildlife Hospital, dba: Sawgrass Nature Center and Wildlife Hospital are tax deductible to the full extent of the law. The Coral Springs Nature Center and Wildlife Hospital, dba: Sawgrass Nature Center and Wildlife Hospital is recognized by the IRS as a not for profit 501c3 charitable organization. Gourmet Food & Cocktails...

Raffles and our Live & Silent Auctions!

The SAWGRASS NATURE CENTER AND WILDLIFE HOSPITAL (SNC), a 501(c)3 non-profit organization, is hosting a benefit to raise operating funds for its Nature Center & Wildlife Hospital in Coral Springs, FL. The SNC serves all of South Florida with its native wildlife rehabilitation center and environmental education programs. We are asking individuals and businesses to support our mission by donating products or services to be used in our silent and live auctions, advertising in the benefit's program, becoming a Sponsor, or by purchasing tickets to the event.

By choosing one or more of these opportunities, you are helping over 1200 native animals have a chance at life and thousands of children and adults to become good environmental stewards of the Earth we all share.
